## University Hockey Team Never Scored Against Picked Seven.

*Special to The New York Times.*

PHILADELPHIA, Feb. 25.—The University of Pennsylvania hockey team was unable to score in the match against the All Scholastic players of Pittsburg at the Ice Palace to-night, being defeated by the one-sided score of 6 to 0. The All Scholastic seven were players from Shady Side Academy, Pittsburg High School, and East Liberty Academy, and, considering the fact that they had never played together before, their team work was marvelously fine.
