

ANN ARBOR, Mich., June 23.—Pennsylvania batters were helpless before Ferguson's pitching today and Michigan won, 4 to 2. A wild throw by Benton gave the Quakers their two runs in the first inning. Ferguson struck out twelve men and allowed three hits, while Wallace was hit freely. Sisler, who played in left field, again was a big factor in Michigan's victory. He hit safely three times in four attempts and stole five bases, including a clean theft of home. Score:

	R.	H.	E.
Michigan	1	0	0
Pennsylvania..	2	0	0
Batteries—Wallace, Murdock, and Dolan; Ferguson and Benton.			

Wiltse Released by Jersey City.

George Wiltse yesterday was unconditionally released as manager of the Jersey City International League club. He made this request of the club and it was granted. Wiltse took hold of the team about two months ago, and the poor showing since then is said to have discouraged him. When the player-manager was released by the Giants so that he could manage the Jersey City team he took Jim Thorpe with him. For about ten years previous to his managerial career Wiltse pitched for the Giants.

After obtaining his release yesterday Wiltse appeared at the Federal League game at Washington Park and this was taken as indicative that he would like to get a place in the outlaw organization. The Brookfeds are short of pitchers, but there was no intimation that they would engage the services of Wiltse.

Larry McLean Gets New Job.

Long Larry McLean, whose unruly deportment cost him his job on the Giants' catching staff, has found a new job. McLean has signed to catch for the Media (Penn.) Club in the same league in which Home Run Baker plays for \$100 a game. It is understood that McLean's contract calls for an amount under this figure. McLean is under a sixty days' suspension, without salary, for breaking the training rules of the New York club.
