PHILADELPHIA, Dec. 6 (AP)—Penn's basketball team opened its fifty-third basketball campaign tonight by downing Maryland, 70-53, despite a 26-point effort by Forward Gene Shue for the Terrapins at the Palestra.

The Quakers, led by Ernie Beck, took the lead in the opening minute of play and stayed in front the rest of the way. In the final period, the Quakers poured in 25 points to seal the verdict against the tiring Terrapins.

Beck led the Quaker scoring with 24 points, but Shue dominated the action in the contest and kept the Terrapins as close as they stayed before the 4,550 fans.

Maryland's 6-foot 4-inch center, Morris Levin, battled Beck under the boards throughout the game and added 11 points to the Terps' total. Beck, the nation's leading college rebounder two years ago, captured eighteen.
